TESTA PALO  
POLE-TOP

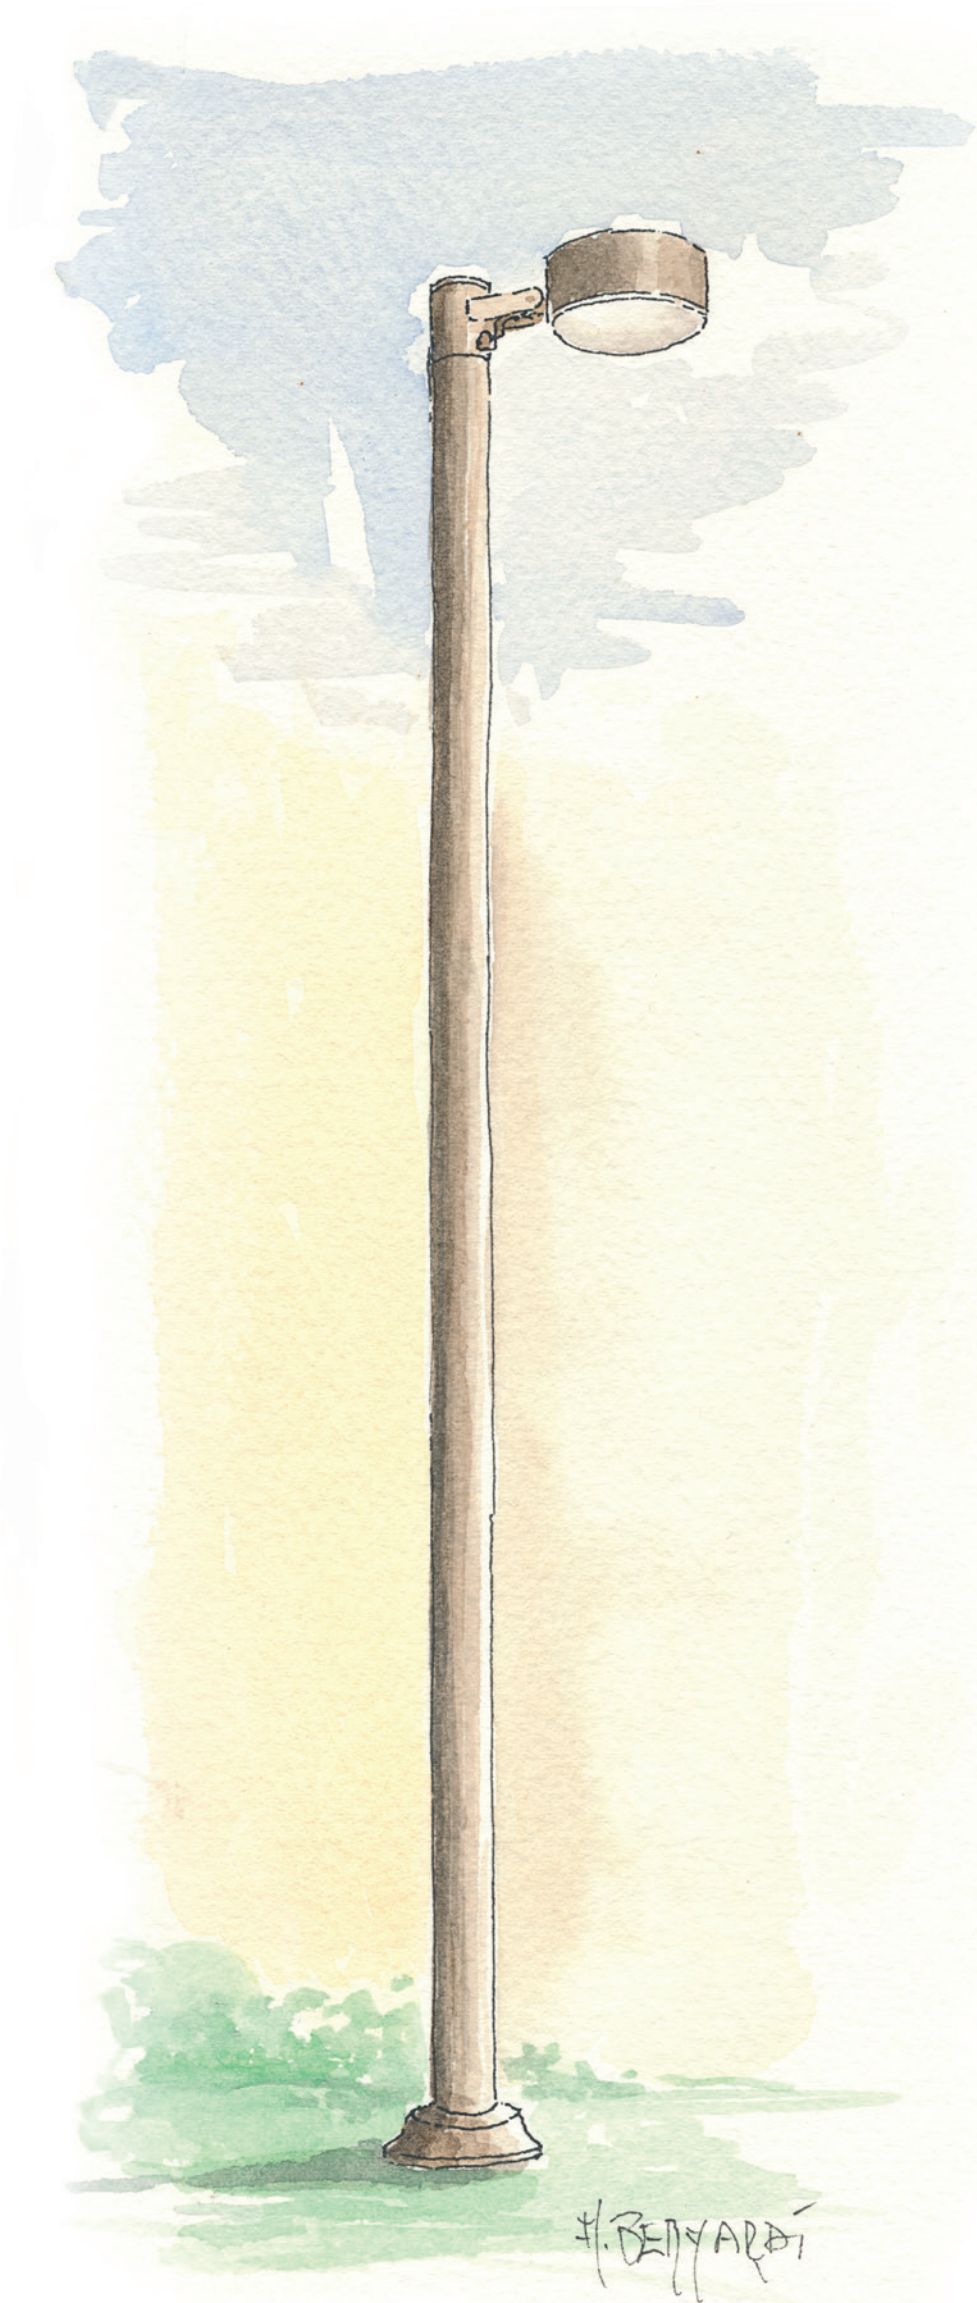

La linea ACELUM è già presente nel catalogo generale, disponibile nel sito ([www.aldobernardi.it/download/](http://www.aldobernardi.it/download/)), sia come applique singola per esterno sia come applique da collegare o ad un sistema di canaline o a cavo minerale.

Viene qui proposta come applique testa-palo da abbinare ai pali di nostra produzione (PAL/H2, PAL/H2,5 e PAL/H3), da ordinare a parte. L'applique testa palo è disponibile in versione singola, doppia a 180° oppure tripla a 120°. E' orientabile per 180° in senso verticale ed è disponibile nella finitura ottone anticato. E' ideale per l'architettura di giardini, viali, terrazze, arreda con eleganza qualsiasi contesto open spaces.

The ACELUM line is already present in the general catalog available on the site ([www.aldobernardi.it/download/](http://www.aldobernardi.it/download/)), both as a single wall light for outdoor use and as a wall light to be connected to a system of conduits or mineral cable.

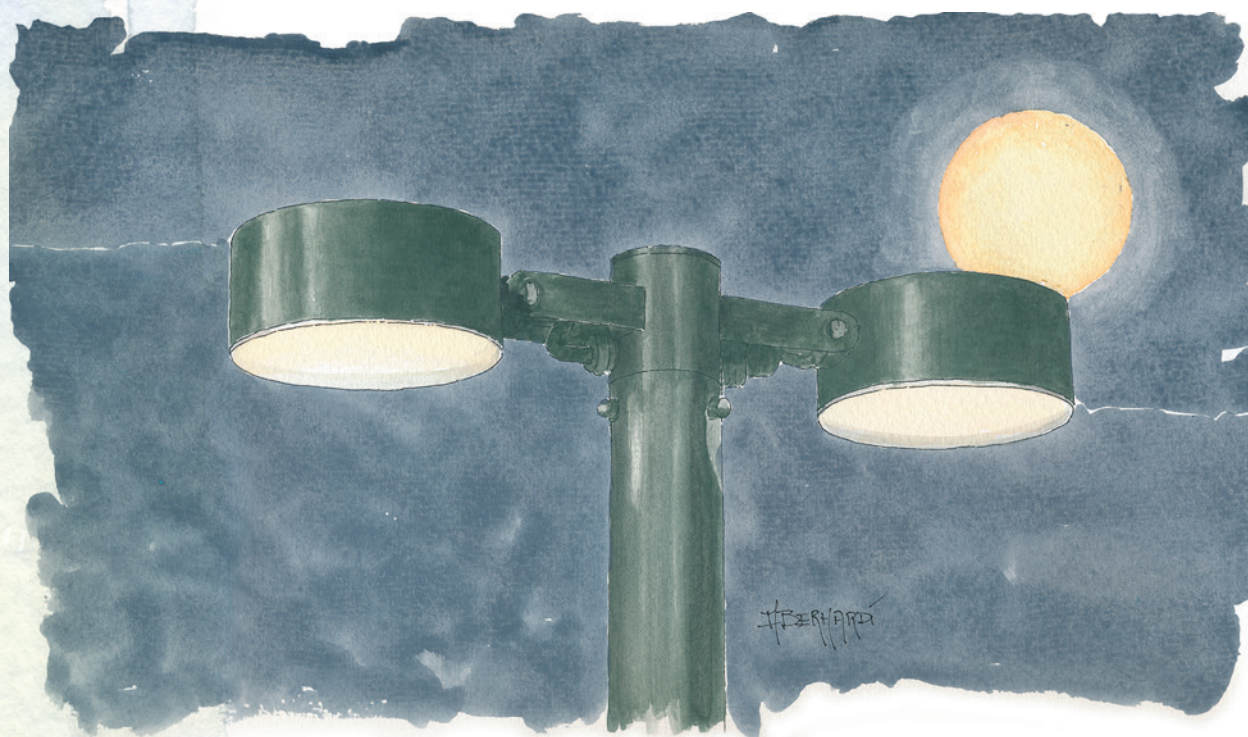

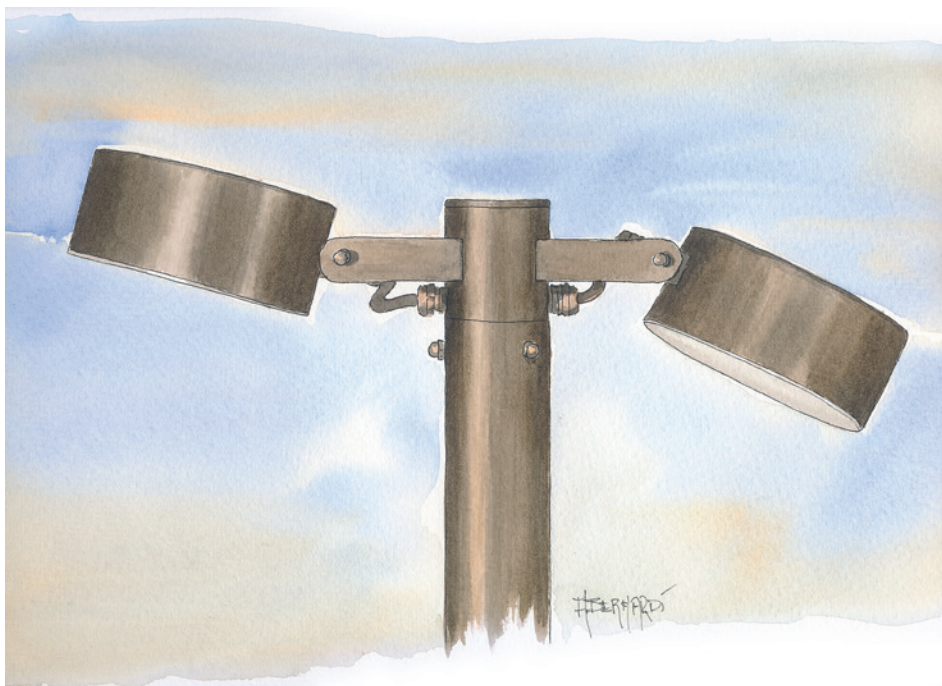

It is proposed here as a pole-top luminaire to be combined with poles of our production (PAL/H2, PAL/H2,5 and PAL/H3), to be ordered separately. The pole-top luminaire is available in single, double at 180° or triple at 120° luminaire. It can be adjusted vertically by 180° and is available in an antique brass finish. It's an element of elegance for the garden architecture; it's the ideal way for illuminating any open spaces context, pathways, flower beds, but also terraces elegantly furnishes any open space context
