

SISTEMA

# Frasca SPR

## “Frasca” SPR system

Questa proposta permette di adeguare la FRASCA all’impianto “a vista” su canaline che Aldo Bernardi propone ormai da anni con successo. La sospensione va utilizzata assieme alle scatole di connessione SPR e a canaline da 16 mm. di diametro, che vanno ordinate a parte. Questa soluzione permette di realizzare una configurazione personalizzata del prodotto, adattato allo spazio disponibile. Sono disponibili in ottone anticato o dark bronze.

This proposal makes possible to adapt FRASCA pendant to the “surface wiring system” that Aldo Bernardi is proposing successfully since many years. The pendant must be used together with the SPR connection boxes and conduits 16 mm.  $\varnothing$ , which must be ordered separately. This solution allows to create a customized configuration of the product, adapted to the available space. Available in antique brass or dark bronze.

Insieme composto da:  
Set made of:

- 2) Art. SPR/1/F/DB
- 2) Art. SPR/90/F/DB
- 5) Art. SPR/180/F/DB
- 2) Art. LIN.2/DB
- 9) Art. FRA/GU10/MIX/DB

Insieme composto da:  
Set made of:

- 3) Art. SPR/90/F/DB
- 3) Art. SPR/180/F/DB
- 1) Art. SPR/1/F/DB
- 4) Art. LIN.2/DB
- 6) Art. FRA/MIX/COBLED/DB/SC
